The applicant wishes to provide the following licensable activities:-

- **Supply of Alcohol (for consumption on the premises):**

- **Plays, Films, Indoor Sporting Events, Boxing or wrestling Entertainment, Live Music, Recorded Music and Performance of Dance (both indoors and outdoors):**

The applicant has submitted an Operating Schedule stating how they intend to meet the four licensing objectives. You may view a full copy of the application by visiting our licensing register [regulations.royalgreenwich.gov.uk](http://regulations.royalgreenwich.gov.uk), or by appointment at our offices.

**Making Representation**

If you wish to comment on this application ("make representation"), we must receive your written submission no later than: **Thursday 20<sup>th</sup> February 2020.**

We invite representations made by electronically by email, or via our licensing register. Wherever possible all communication with you concerning your representation, or any subsequent hearing, will be made by email.

In order to be a valid representation, it needs to:

- Contain your full name and address;
- Relate specifically to the premises concerned;
- Mention issues that relate to one or more of the four licensing objectives – protection of children from harm, public safety, prevention of public nuisance and prevention of crime and disorder;
- Say in precisely what way(s) you consider that the premises could impact, or are impacting, regarding one of more of the above objectives; and
- Reach the Council by no later than the last date given above.

Representation may be made in support of an application, as well as against it, but must still meet the criteria above.

Under the Act, where an applicant is aggrieved by a decision of the Council, they can appeal to a Magistrates' Court. Any Person who makes a representation may be expected to attend court as a witness in the event that a decision made by the Royal Borough of Greenwich is later appealed.

**Petitions**

You can submit a petition alongside a representation, but for it to be legally acceptable please note that it needs to:

- Contain a header outlining the premises name and address, the fact that it is a representation, and the reasons for the representation at the top of every page;
- Give the name and address of each signatory;
- Nominate a spokesperson to receive details about the hearings etc. from the Council and who may be willing to speak on behalf of the petitioners at the hearing.

We will not contact individual petition signatories. You need to therefore contact the individual signatories, if you deem it appropriate.

### **Public Hearing**

If we receive representations opposed to the application, our Licensing Sub Committee will determine the application at a public hearing. The applicant and any party who has made a valid representation will be invited to attend the hearing. Members will listen to evidence from both sides before deciding whether to grant the licence.

You need to be aware that copies of all representations are provided to the Licensing Sub-Committee and to the applicant. We do not accept anonymous representations unless you can demonstrate genuine fear of reprisal from the applicant, and you will have to telephone the licensing officer named below to discuss this first.

If you make a representation, you may wish to discuss this with one of your local Ward Councillors. You may also wish your Ward Councillor to represent you at the Licensing Sub-Committee Hearing, in which case you should contact them directly. The contact details of your Ward Councillors are outlined below and full details are available on our website, or you can visit [www.writetothem.com](http://www.writetothem.com). Please state in your representation if you would like a named councillor to represent you.

Your local Ward Councillors are:
