

THE MACMILLAN RIVER WALK WITH THE WESTCOMBE SOCIETY

When and What is the event?

Sunday 20th September 2020. An interesting walk along the river, discovering historic sights and unexpected views to raise money for Macmillan Cancer Support

Where does it start and finish?

The route begins at St. Mary's Gate at the bottom of Greenwich Park and ends at the Globe Theatre or Rotherhithe for those wanting a shorter walk.

What time do I need to arrive?

You will need to arrive between 9.00 and 9.30am, to check-in and collect your map for the walk.

On the day:

After you have signed in we set off in the direction of The Cutty Sark to the river, where we follow our path to the left.

Do I need to be a good walker?

It is not a race, the walk is the chance for you to take on a challenge and do something for Macmillan Cancer Support and people affected by cancer. You just walk at your own pace and enjoy the day in a group, on your own or bring some friends. The route is fairly flat so suitable for buggies.

How much does it cost, and what is the minimum sponsorship?

It is just £10 to enter and there is no minimum sponsorship, so you can raise as much money as you can!
